

Tuesday Week 19

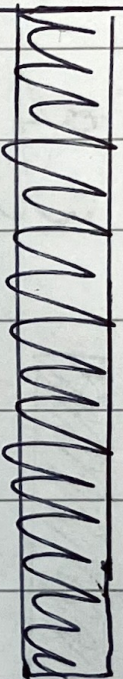

• Turned cities - friendship cities
• Variables such as continent, country, etc

Cont of number of friendship cities across continents?

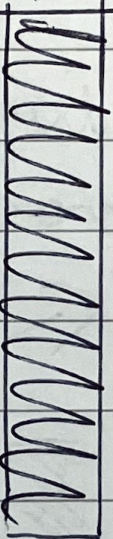

Horizontal bar chart

Europe

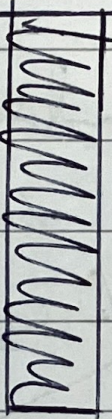

add labels,

North America

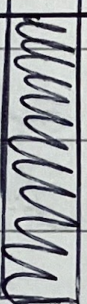

add labels

Asia

- n -

Africa

- n -

Oceania

Number of cities

- How do we spread ideas distribute across the world?

- Make a map?
- Some sort of network analysis
- How links in between countries
- Could look messy.

- Draw up a map the world

could work, ~~but not for~~
